

Henderson Middle School Foundation

Electronic vote on funding request, August 31, 2017

Dr. Jackson requests funds from the HMS Foundation to cover the cost up to \$250 for a DCPS bus to take HMS students to STEMfest 2017.

The event is September 30th and Dr. Jackson needs time to announce it, so we cannot wait until our next meeting to evaluate this proposal.

Please reply to this email with your vote.

Details: The event is at Redan High School in Stone Mountain, Saturday, September 30th, 10-2pm. The flyer is attached. Interested students of all three grades are invited to join, there will be announcements including the e-newsletter and on the website, and homeroom teachers will hand out permission slips to interested students.

They would be leaving from HMS and returned to HMS.

DCPS has already approved the trip, so the only thing that is needed are funds. There are no costs other than transportation (bus driver and mileage). The actual cost has not been determined but Dr. Jackson estimates that it will be no more than \$250.

If you need more information, let me know.

Responses: Unanimous approval, vote completed September 1, 2017
