

Henderson Middle School Foundation

Electronic vote on funding request, February 3, 2018

This is regarding a weekly incentive for the team with the most March Madness donations.

Pamela has received a response that Bruster's cannot provide the blue pop ice cream for free as last year, but could provide it for a steep discount, at \$0.60 per cup. The other offer we had was \$2 per cup. It would be best to confirm this now, rather than wait until the next meeting. Pamela motions to approve \$72 for 120 cups of blue pop ice cream from Bruster's and I second. Please respond with your vote.

Thank you

Responses: Unanimous approval, vote completed February 4, 2018
