Electronic vote on funding request, November 1, 2018

At the last meeting, we approved \$660 for scholastic magazines. It turns out that the cost estimate did not include shipping, which comes out to \$97.08.

We have a motion to approve the increase of \$97.08 to fund the total bill of \$757.08 for the 3x25 scholastic magazines. Please reply with your vote.
