Electronic vote on funding request, February 14, 2019

We have received Bruster's price for the blue pop ice cream, one of the incentives for the March Madness, one of the 3 weeks a team will have an ice-cream party. Bruster's provides this at a discount. The cost per cup is \$0.85 this year.

Pamela motions to approve \$102 for 120 cups of blue pop ice cream from Bruster's and I second. Please respond with your vote.

Responses: Unanimous approval, vote completed February 21, 2019
