Electronic vote on funding request, August 20, 2019

We have a motion to approve \$221.83 for shipping costs for the Disc Golf equipment.
Please reply with your vote.

Background:

Coach Morrison ordered \$1,899.00 worth of equipment from a company that does not always charge for shipping. In this case, shipping costs were added and the total cost is now \$2,221.83. We have previously approved up to \$2,000, and thus would need to approve an additional \$221.83.

Responses: Unanimous approval, quorum achieved August 20, 2019
